

Family and Medical Leave Act (FMLA) for Supervisors

This course is designed for employers and supervisors to meet their compliance under the FMLA in determining medical leave eligibility and administrating protected job leave for employees.

www.fmlarequirements.com

The program covers:

- Purpose, benefits, and basic provisions of FMLA leave
- Coverage and eligibility for leave
- What you need to do to assist employees in handling leaves appropriately
- Process for approving medical leave
- When to request medical certification to support the need for FMLA
- How to protect yourself and your organization from liability

With our FMLA for Supervisors video DVD kit, you receive:

- 15-minute video DVD
- Workshop Preparation Guide with Sample Agenda
- FMLA Guidelines for Supervisors
- FMLA Handbook for Employees
- FMLA Fact Sheet
- Professional PowerPoint presentation
- Sample FMLA Request Form
- Post Training Quiz
- FMLA Poster (required by law)
- Certificate of Completion
- Scheduling Sheet to track your learners
